

OUR VISION

Students at Frank H. Peterson Academies of Technology graduate with an appreciation for life-long learning, prepared to enter the work force and pursue higher education.

OUR MISSION

The Culinary Arts Department at Frank H. Peterson is committed to offering students a program of excellence in academic, vocational training and preparation of students to fulfill their career aspirations and to meet the needs of the food service industry through quality culinary, pastry arts, dining room and general education curriculums of higher education. Utilizing a blend of theory, skill development, hands-on and practical application, students will gain the necessary experience to successfully enter the food service industry. The Culinary Arts strives to represent the post-secondary institutions of higher learning and actively participate in our community outreach service projects as well as the opportunity to increase employment opportunities for our graduates.

ACADEMIES

BEGIN BUILDING YOUR FUTURE IN CULINARY ARTS

The Culinary Arts Academy prepares students for college and careers in the culinary and hospitality industries. Core academic courses are integrated into the specialized curriculum. The academy includes an award-winning, full-service restaurant on campus. Successful students are eligible for mentorships, apprenticeships and internships in local hotels and restaurants.

Frank H. Peterson Academies of Technology is a public, magnet high school located in Jacksonville, Florida. The students of Peterson Academy gain more than just a high school diploma. Students begin gaining skills in the industry of their choice while earning their high school diploma and potentially gaining several college credits.

The Frank H. Peterson Academy of Culinary Arts prepares graduates for occupations such as a chef, dietitian or short-order cook. Students in the program learn in an award-winning, full-service restaurant that is open to the public. Many of our graduates continue training at the college level and enter a culinary arts institute. Many have been employed in Jacksonville's finest restaurants and resorts.

OUR BELIEFS

- All students can learn when teachers use a variety of teaching and learning strategies.
- A safe and secure environment conducive to teaching and learning is essential to student success.
- Education is the responsibility of students, school, family, and community.
- Teachers, counselors, administrators, staff, and parents make a difference.
- Education is a priority. Attendance and punctuality are essential.
- With time as the variable, all students can meet expectations.
- Students must prepare to be respectable citizens and make responsible contributions to society.
- Students must acquire the required education and skills needed to enter the workforce.
- Students must be prepared academically to pursue higher education and life-long learning.
